

Comet and Clusters Party!

Come out to the

Community Observatory

6699 Campus Drive Placerville, CA

Thursday, October 7th

8:00pm—10:00pm

**To observe Comet Hartley 2
and the Double Cluster in Perseus
in the same field of view!**

*We'll be using different styles of telescopes
capable of seeing both Comet Hartley2
AND the famed Double Cluster in
Perseus in the same field of view.*

Dress warmly & bring your binoculars!

(There is a \$1.00 Parking Fee)
